How to obtain service and/or make a claim?

To open a claim you must contact the customer services of Quattro Tires at 1-844-778-2887, you must do it before getting any repairs or any tire change made. Following the claim opening, an affiliated garage or specific place could be suggested on a case-to-case basis, you could have to go to a local garage you know or find yourself.

Flat tire repair

If the tire eligible under the protection is damaged but repairable, you could be requested to get it repaired at a local garage. The cost of the repairs would be credited back to you, but the credit amount is only for the tire repair and will not exceed 25.00\$ taxes included for the tire. Any other fees that could occur would not be credited in any cases, for example, verification fees, alignment fees, balancing fees or else.

Tire replacement

If the tire eligible under the protection is damaged and irreparable, we would proceed with a tire replacement, by the same model or its replacement in the case of the original tire not being available. You would have to purchase the replacement tire first and following its installation, return the damaged product back to Quattro Tires for the verification process. As soon as the damaged tire is confirmed to be eligible based on the protection conditions, you will be reimbursed for the price of the tire and the taxes based on the cost of the original invoice. You are responsible for any other fees and charges that could occur, **for example, shipping, garage fees and eco fees will not be credited** as the protection does not cover any of those fees.

Your responsibilities

1. Regular maintenance on your tires, including ensuring that the tires are kept at the proper inflation pressure and up to your vehicle manufacturer's specifications without exceeding the maximum pressure indicated on the tires.
2. Use the tire reasonably by not exceeding the maximum rated load and by making sure that the tires are fit for the vehicle (Load, speed, size, etc.)
**Note that if the tire installed on the vehicle does not satisfy the needs and requirements of the vehicle, your claim could be declined*
3. You must contact Quattro Tires before beginning any replacement, repair or purchase process in the event of a tire being damaged by road hazards to open up a claim for your eligible tire.
4. If needed/requested, you must provide any proof, photos, invoices or other information required for the claim.
5. You must be ready to pay for all fees required by Quattro Tires over the course of the claim and replacement process or repairs before receiving the reimbursement as soon as the claim is approved.

What you must do to make a claim in the event of an eligible tire being damaged:

1. If one (1) tire of your set of four (4) select brand tires is damaged due to a road hazard, you must contact Quattro Tires at 1-844-778-2887 to get the claim open and to receive assistance.
2. If the tire is repairable, you could be requested to go to an affiliated garage or in a registered garage to get the tire repaired, if the damages to the tire are in the tread contact patch and can be repaired safely, according to the « Flat tire repair » in this document.
3. If the tire is irreparable, you will need to purchase a replacement tire according to the conditions required by Quattro Tires, for an identical tire* to the damaged one, you will be able to order the replacement tire while you open the road hazard claim with one of our representatives. See "Tire replacement" on this document. **Please note that before proceeding to any replacement, you must take arrangements with Quattro Tires at 1-844-778-2887.**
**If the damaged tire is no longer available, it will be replaced by the replacing/similar model.*
4. You must pay for the repairs or replacement before getting any reimbursement or credit. (According to the conditions.)
5. In the case of a replacement, Quattro Tires requires that the damaged tire be sent back for verification purposes, as soon as the damaged tire is verified and approved to be damaged by road hazards based on the conditions, the credit based on the amount decided on the claim will be issued to you, which covers the tire cost and its taxes, although, no other fees will be credited.

EXCLUSIONS: What is not covered and/or credited under the protection
